Letter of Recommendation

Date: July 14, 2026

To Whom It May Concern,

It is my distinct pleasure to write this letter of recommendation for **Sunanda Dewaan** (Session: 2019-20), who served as a Research Assistant under my direct supervision for our recent multi-institutional household survey project titled “**After the Floods: The Poverty–Gender Nexus in Food Insecurity in Bangladesh**”. This large-scale data collection initiative was conducted as a collaborative effort between **Noakhali Science and Technology University (NSTU)**, **Hong Kong Baptist University (HKBU)**, and the **Australian National University (ANU)**.

Throughout the duration of the project, **Sunanda Dewaan** demonstrated exceptional dedication, meticulous attention to detail, and a high level of professionalism.

Key Contributions and Achievements:

- **Rigorous Data Collection:** He successfully completed [e.g., 50+] household surveys, consistently maintaining a high response rate through excellent communication and interpersonal skills. The survey was conducted from September 2024 to October 2024.
- **Data Integrity and Quality Control:** **Sunanda Dewaan** ensured that all field data was collected accurately, logically consistent, and meticulously logged, which significantly streamlined our team's data cleaning phase.
- **Ethical Standards:** Working across international institutional frameworks requires strict adherence to human ethics. **Sunanda Dewaan** flawlessly executed informed consent protocols and maintained the absolute confidentiality of all participants.

Personal Attributes:

What impressed me most about **Sunanda Dewaan** was his ability to navigate the unpredictable challenges of fieldwork with resilience and adaptability. Whether managing difficult interview environments or coordinating with community leaders, **Sunanda Dewaan** represented NSTU, HKBU, and ANU with the utmost respect and cultural sensitivity. He proved to be both an autonomous self-starter and a highly collaborative team player.

The fieldwork phase of our collaborative research project was a resounding success, and **Sunanda Dewaan** played an integral role in that outcome. I have no doubt that he will bring the same level of intellectual curiosity, work ethic, and integrity to any future academic or professional pursuit.

I give **Sunanda Dewaan** my highest recommendation without reservation. Please feel free to contact me if you require any further information.

Sincerely,

Md Abdullah Al Mamun
